Phone Call From God

Jerry Jordan successfully combines country and religious humor with serious and thought-provoking ideas.

Raised on a farm in west Texas, Jerry learned to appreciate the simple, pure humor of country people. Jerry's unique gift for telling stories, coupled with his country background, make him one of today's great country humorists. But Jerry's amusing tales are also filled with meaning and his famous "Telephone Call From God" is not only riotously funny, it's also a soul-searching talk between God and man.

Jerry Jordan is a unique, young, new entertainer. His tales are expressions of good humor, joy, laughter and spiritual enlightenment.
